Assessments
Critical Thinking
Pharmacology

Pathophysiology
Therapeutic Relationships
Continuing Complex Care

Community Nursing
Leadership
Time Management

EDUCATION

University of Ottawa

April 2011

- Major: Nursing (BScN)

PLACEMENT EXPERIENCE

SPECIALIZED ORTHOPEDIC DEVELOPMENT REHABILITATION UNIT

Bloorview Rehabilitation Hospital for Kids (pre-graduation placement)

Jan. '11 – Apr. '11

Corresponded with health care professionals to develop medical plans. Managed multiple nursing interventions for clients with co-morbidities, and changing health status.

GENERAL MEDICAL UNIT

Grace Hospital

Sept. '10 – Dec. '10

Performed within the post-surgical environment. Analyzed patient diagnoses to assess and administer client care. Utilized critical inquiry to support professional judgement and provide timely and effective medical strategies.

LABOUR AND DELIVERY UNIT

Mount Sinai Hospital

Sept. '09 – Dec. '09

Administered medical care within the pre-natal and post-partum environment. Assessed client physical, emotional, spiritual, cultural, cognitive, developmental, environmental and social needs to support child birth. Accessed client care plan from existing health and nursing information systems to manage ongoing nursing and health care data during client care. Managed admission procedures. Prepared clients for delivery such as administering pain management, catheterization, and labour support.

Community Nursing, Cedar Drive Public School, Jan. '10 – Apr. '10

General Medicine, Mount Sinai Hospital, Apr. '08 – Aug. '08
